One Superior Place

McClurg Court

Plaza 440

2 East Erie

Bright lights, city nights and all that jazz. That's life at One Superior Place, where the best of the city begins at your door. From volleyball on the beach to surfing the racks at Saks, sipping a latté at a curbside café or simply strolling the world's most Magnificent Mile, you'll find it's all just steps away. Welcome to the urban indulgence

Just off the magnificent Mile, the majestic twin 45-story towers of McClurg Court Center offer you everything you could ask for. Along with our spacious apartment homes, you'll find a convenience store, valet and dry cleaners, banking, a restaurant, movie theaters and more. It's as though we took a whole city and poured it into McClurg Court Center. Make it your next home.

Plaza 440 is a fifty-floor luxury apartment community situated just north of the Chicago River: Steps from North Michigan Avenue and the Loop. This exciting new neighborhood is known as North Bridge. The North Bridge District features a Nordstorm department store, ESPN Zone and some of the City's finest restaurants, hotels and health clubs. The excitement and convenience of residing at Plaza 440 and North Bridge will enhance every aspect of your life!

You can search the world over, but only in Chicago will you find an avenue so vibrant, so full of life, that it's worthy of being called the "Magnificent Mile." Here, bistros and cafés abound, there's a fine restaurant around every corner and the shopping is beyond anything you've ever imagined. Just two blocks away, towering 40 stories above it all stands Chicago's newest premier address: 2 East Erie.
